

# 2024 SACE Results

We are delighted to report that our Year 12 students achieved outstanding results, both in the South Australian Certificate of Education (SACE) and with their Australian Tertiary Admissions Rank (ATAR). 100% of Year 12 students enrolled at Mary MacKillop College successfully completed their SACE. A total of twenty-one Merits were achieved across eleven subjects: Biology, Chemistry, Child Studies, English, Essential English, Food and Hospitality, Information Processing and Publishing, Physical Education, Research Project B, Spiritualities, Religion and Meaning, Visual Arts – Design.

An ATAR above 90 without adjustment factors was achieved by 32% of the Class of 2024 and 66% achieved an ATAR over 80. 266 A grades were received equating to 63% of all grades in the A Band. Over 95% of grades were in the A and B Bands.

Each MacKillop girl is known and nurtured, enabling her to flourish academically and personally. The Class of 2024 embodied the College's mantra, "Courage to Lead," demonstrating resilience, determination and a commitment to excellence. Through tailored learning opportunities and dedicated support, each student was empowered to design her own pathway to success and prepared to step confidently into the future.

We commend the Class of 2024 on their academic success and extend sincere thanks to the dedicated teaching staff who supported them throughout their learning journey. We look forward to formally congratulating those who achieved A+ with Merit, an ATAR above 90 without additional adjustment factors and Subject Award recipients at the High Achievers Ceremony in Term 1 of 2025.
